LEADERS

The FTBO Gold Jacket appears to be a 3 horse race... **Rob Bassett** leads **Fumbles** by 2 and **Steve "Sandbagger" Hewson** by 4 strokes. And even with **Haggy and Bruce "Total Package" Mulherin** are 6 back... Look for them to make a move on Day 3.

FINGERBLASTS

Did you know... Last year **Scott Reeves** had to miss FTBO because he dislocated a finger... this year he blasted himself on day 2. This year **Dennis Bassett** broke a finger. The moral of the story: Reeves is clumsy & Goalies are weird.

RYDER CUP RECORDS

Did you know... Heading into 2012 **Fyhn** was the only FTBO-er with an undefeated match play record 1-0-1... Disco had a 69% winning percentage (5-2-1). On the other end of the spectrum.. Defending Champ

Bun (1-4-1) & Schmitt (2-6-0) have 25% records...

SWING DEMONS

Chris Niemiec has a unique golf swing.. It has been described as "like watching an octopus falling out of a tree."

ROOKIE RECAP

Kudos to **Westy, Mulsy, Peace, Nemo & Fumbles** for persevering heat and pressure of the galleries in their 1st FTBO... Did I mention **Westy** in there? Yeah that was me being polite.

THE HOME STRETCH

Sunday at the FTBO is always the toughest round of the golf season.

A word of advise... pack tonight.. Check out before the round... Leave your bags (and Prizes) at Resort Services. After the round, grab your prizes & head to the restaurant for a quick bite & the prize presentation. Guys leaving tonight should head out to the airport around 5PM.
