

FTBO Scottsdale

2010
2010

This is the year FTBO goes states side. The magic of Scottsdale begins in the heart of the lush Sonoran Desert. Here, indigo skies beckon you out doors to explore pristine desert trails, rivers and golf. The latter of which can burn you to a crisp...a few reminders for the trip:

- **Passports** are more important than your \$450 driver
- **Pack light.** US Airways charges \$25 for the first bag and \$35 for the second. This **is not covered** in FTBO fees. I recommend loading up the golf bag and taking a carry-on.
- Early to bed, early to rise. Be at the airport for **5:30am**
- There is a **1 hour time change**
- **Tee Gifts** – bring them. Given the baggage constraint we need to keep them small
- Bring extra USD for Ryder Cup (\$100) see below

Disco's Checklist

- Tooth brush - You never know when you're going to puke in a box
- License - You never know when you're going to need to cut a lime
- Passport - You never know if your rookie card will be declined at check-in
- Advil - For most this will be a life savor
- Camera- You never know when you will need to confirm with Disco "it really happened" Blackberry's are the best option for this!
- Clubs- That way everyone's wives will think we're going golfing
- Trunks - Most resorts have pools in PHX and being 110 it might be a good option to cool down
- Brazilian wax - You know you're going to have some serious a\$\$ swass in that heat. So call Dan for details, Lori has got a good place if you're interested.
- Tee Gifts – Not sure if Sledzy has reminded everyone, but we normally bring a tee gift.
- Suntan lotion- Even if you don't need it..... Still works as lube
